Recognizing the need for communication between regulators and licensees, the Department is establishing a Consumer Credit Counseling Roundtable.

The Roundtable will:

- meet on a quarterly basis at the Department of Consumer Affairs;
- discuss hot topics and other issues in the industries covered under the Consumer Credit Counseling Act;
- overall aid the Department in maintaining a communicative relationship with these industries.

We would like to form a diverse Roundtable compiled of individuals from the credit counseling, credit repair, and debt negotiation industries – for profit and not for profit. If you are interested, please fill out this form and return it to the following address:
